

New DVDs at the Library
Leasa Sieve, Reference Librarian

Get out the popcorn! New Ulm Public Library has added several new DVDs to our collection, and you will want to stop in and pick some up!

Majestic Life of Queen Elizabeth II – “True story of how the young Princess Elizabeth became a great Queen reigning 60 years.”

Kurt Vonnegut Unstuck in Time – “Experience the extraordinary life of author Kurt Vonnegut”

Ascension – “This observational documentary presents a contemporary vision of China that prioritizes productivity and innovation above all.”

Power of Big Oil – “Frontline investigates the decades-long failure to confront the threat and increasing impacts of climate change, and the role of the fossil fuel industry and one of its biggest players, ExxonMobil.”

American Horses – “American horses are icons. Mustang. Appaloosa. Morgan. Quarter Horse. Each breed has a unique story to tell, and each story is a deep part of the American experience.”

American Arctic – “Vast, wild, and untouched, the Arctic National Wildlife Refuge (ANWR) is where some of the world's greatest wildlife spectacles unfold.”

To Which We Belong – “This documentary highlights farmers and ranchers leaving behind conventional practices that are no longer profitable or sustainable.”

Harry Potter 20th Anniversary Return to Hogwarts – “The retrospective special Harry Potter 20th Anniversary: Return to Hogwarts will tell an enchanting making-of story through all-new in-depth interviews and cast conversations.”

Hiding in Plain Sight – “Mental illness may be the most pernicious health crisis besetting the globe-since it's one for which stigma and discrimination will drive the afflicted to suffer in silence.”

They Survived Together – “Incredible, true story of one family as they desperately tried to stay alive... and together as a family with four small children, attempted to escape certain death at the hands of the Nazis. They are believed to be one of the only families to escape and survive as a family.

Ken Burns: Benjamin Franklin – “As scientist and statesman, he'd become one of the 18th century's most consequential individuals, and his achievements endure today, from his familiar aphorisms to Philadelphia civic institutions to the American republic he helped found.”

Writing With Fire – “A fearless group of journalists maintain India's only women-led news outlet.”

Museum Town – “The documentary tells the story of an unconventional museum, the small town of North Adams, MA it calls home, and the great risk, hope, and power of art to transform a desolate post-industrial city.”

Tesla – “Meet Nikola Tesla, the genius engineer and tireless inventor whose technology revolutionized the electrical age of the 20th century. Although eclipsed in fame by Edison and Marconi, it was Tesla’s vision that paved the way for today’s wireless world.”

Paranormal Highway- “Across the planet more and more people are reporting – reporting with greater frequency – encounters with aliens, ghosts, Bigfoot, orbs, Forces messing with electronics, life-changing synchronicities and a variety of psi phenomena. Many occurring in a single geographical area we call a paranormal hotspot.”

Ice Age Footprints – “Thousands of footprints stretch for miles across New Mexico’s White Sands National Park, capturing moments when Ice Age humans encountered now-extinct beasts, including enormous ground sloths and mammoths.”
