

NEW ULM PUBLIC UTILITIES

2025 LED Holiday Light Rebate Application

LED lights have several benefits over conventional lighting, so once again the New Ulm Public Utilities will be offering their electric customers a rebate in Chamber Dollars for purchasing LED lights that meet all the qualifications listed below.

To Qualify for a Rebate in Chambers Dollars You Must:

- Be a current New Ulm Public Utilities electric customer, with an active account number.
- Rebates will ONLY be given for each string of LED lights with a purchase price of \$5.00 or more per string. Attach the original store receipt dated between October 1 and December 16th. *Copies can be made at the PUC office if you wish to keep your original receipt.*
- Each string of lights must have a minimum of 25 lights. Attach the portion of each package that indicates the number of LED lights on each string. *If you are applying for a rebate for 5 strings, you must include this portion from each package.*
- Bring the completed form, the required receipt and portion of each package to the PUC office at 310 1st North between Oct 1st and Dec 16th. Chamber Dollars will not be mailed out.
- The rebate is \$5.00 in Chamber Dollars per qualifying string with a limit of 5 strings per customer.
- For more information, contact the New Ulm Public Utilities office at 507-233-2110.
